Helps Cedar City Beautify Grounds

LOGAN, May 26.-Emil Hansen, for federal employes. Senator Reed landscape gardener of the Utah Agri-cultural college, has just returned to the institution from southern Utah, where he went to assist in the plant-ing of several municipal parks and auto camping grounds. While away he oversaw the planting of the new city park at Cedar City, plans for which were made by Mr. Hansen. Acting upon his advice, Cedar City of the postoffice department. Every effort will be made to expedite its ficials decided to introduce a street effort will be made to expedite its parking system, providing for 60-foot passage before congress recesses in streets, lined with shade trees and June, the Senator said, parked on either side.
